Dwight Leib Cracks Silver Spring Winner's Circle

Dwight Leib of Mechanicsburg cracked the winner's circle for the first time in 1984 on Saturday's Super Sportsman action at Silver Spring Speedway on Saturday night. It was Dwight's first win. Carl Grasso of Duncannon took his second limited late model win of the year and Ken Gardner took his first street stock 15 lap main.

Sprints, Sportsman, Match Race

The Super Sportsman division returns to Williams Grove Speedway this Friday night July 20, along with the Sprint cars.

Also on the card this week is a special match race featuring Winston Cup mechanics driving Super Sportsman cars.

The match race participants include: Jeff Hammond, crew chief of Darrell Waltrip's Tide team, along with shop foreman Eddie Dickerson and crew member Bill Wilburn. They will be challenged by Barry Dodson, crew chief for Winston Cup champion Rusty Wallace.

The Sportsman cars have only run one feature at Williams Grove this season and it was won by Rich Eichelberger. The June 29 Sportsman feature was rained out and will be made up on September 14.

Williams Grove's original schedule listed Late Models along with Sprints and Sportsman for July 20, but the Late Models have been dropped for this week. They have been added to the September 14 program.

The Sprint car feature will be 25 laps this week and the Super Sportsman feature will be 20 laps.

Time heat is scheduled for 8:00.

Coming events will be August 2: World of Outlaws invasion, July 29: Enduro 200.

On Sunday, July 29, the Nashville Network (TNN) will broadcast the second WoO race taped earlier this season at Williams Grove. The race will be shown at three different times on July 29. Fans are asked to check local listings for show times.

Locke Takes $2000 Firecracker 40

Bowie Locke of Mechanicsburg captured his second sportsman feature win of the year Tuesday night at Silver Spring Speedway in the Firecracker 40. Locke took home $2,000 for his victory.

Barry Howard of Hershey also took his second feature win in the limited late model 20 lap main event. Larry Hughes of Summerdale took the street stock feature.

Jim Shuttlesworth of Mechanicsburg finished second in the Firecracker 40 and rounding out the top ten were: Dave Cordier of Shoemakerstville, Gary Wolford of Biesque, Dwight Leib of Mechanicsburg, Rich Eichelberger of Dillsburg, Larry Jackson of Newville, Bob Tannery of Dauphin, Billy Crawford of Bloomsburg and Jeremy Trout of Felton.

Heat winners were: Leib, Cordier, George Rider of Dauphin and Eichelberger. Mike Irwin of Fredericksburg and George Hoop of Marysville took the consolations.

Weekly HEALTH TIP
OSTEOPOROSIS
Salmon calcitonin offers new therapy to prevent osteoporosis (weakening bones). Calcitonin is a natural hormone that helps bones develop in humans. Bone content increased 13% in women given calcitonin and calcium, compared to women given calcium and a placebo, reports Dr. Chas. Chesnut of U. of Washington. He suggests calcitonin could replace estrogen as "treatment of choice" for osteoporosis, as calcitonin has fewer negative side effects than estrogen therapy.
